

Camp Alive 2024

Grade 3-5 Class Options

Students in grades 3-5 will select 3 classes. Each student MUST select 1 class from each of the 3 categories. Students must select 1 "Let's Eat!" Class, 1 "Let's Play!" Class, and 1 "Let's Create!" Class.

Classes are available on a first come, first serve basis.

If a student wants to be placed in the same class as another student, they must sign up for the same class in the same order.

If your student has a food allergy, please ensure that it is clearly indicated on the registration form. We will work diligently to accommodate food allergies in the "Let's Eat!" Class offerings.

Let's Eat!

Stir it Up – Kids will learn the basics of cooking and get to enjoy their creations

Let's Play!

Outside Games – Kids will play outside games, including 9-Square, Gaga Ball, Kick Ball, etc. Thursday will be water-based games.

Inside Games – Kids will play games inside, including board games, minute to win it games, etc.

Let's Create!

Jammin' Jewelry – Kids will make jewelry

Passion for Painting – Kids will create art through painting

Blast Off! – Kids will build and "blast off" model rocket

Experimentation Station – Kids will do science experiments of all kinds

Keyboard Connection – Kids will receive beginner level keyboard instruction (no previous experience required)

Guitar Jam – Kids will receive beginner level guitar instruction (no previous experience required – must bring own guitar)

Drums – Kids will receive beginner level drumming instruction (no previous experience required)

3D Art – Kids will create craft projects with 3 dimensions

Draw Squad – Kids will create art through drawing

Duct Tape Art – Kids will create projects with duct tape

Babysitter's Club – Kids will learn the basics of childcare, including safety procedures, games, crafts, and business skills
